

Eco-friendly paper

It doesn't take a lot of effort to make life a little bit greener.....

Evolve Business Paper

- EVOLVE Business is a 100% recycled high quality recycled paper for copying, laser and inkjet.
- The uniqueness of the paper is its whiteness and the smooth surface. It is equipped with ColorLok technology that provides optimum color recycling and enables the print to dry faster.
- EVOLVE Business is certified with an FSC Recycled Certification.
 - in order to use the FSC logo as an "environmental claim" on paper, the product must have flowed through the FSC "chain-of-custody" from the FSC-certified forest, to a paper manufacturer, merchant, and finally printer who have FSC chain-of-custody certification. (<http://www.fscus.org/paper/>)

Product information

- Evolve Business exists today in the following format:
 - 80 gram (unholed) A4 format 5x 500 - Grab & Go

Why chose Evolve paper?

- The paper is 100% recycled
- Evolve Business is the environmentally friendly option with the highest degree of whiteness
- By selecting a paper that is 100% recycled, we have a joint opportunity to contribute to a better environment - every day all year

How can you and your company contribute to a greener life?

m:real

Make the change.

Try these simple tips for a greener office.

- 1 Use recycled products
- 2 Recycle paper and cartridges
- 3 Print both sides of the paper
